**SOME OF OUR CLIENTS...**

"Zakarak Productions has played a crucial role in helping us transform a typical employee recognition event into much anticipated annual Broadway-style celebrations. They have infused these extravaganzas with a high-energy creative flair seldom equated with the banking business."

# Zakarak Productions, Inc.

## Are you looking to...

... transform your corporate culture?

... increase productivity, retention and brand recognition?

... foster a collaborative, rather than confrontational, working environment?

## Are you curious...

**Why... Commerce Bank**, JD Powers-awarded and one of the nation's fastest growing financial services retailers, has entrusted their largest annual employee recognition event to Zakarak since 1998?

**Why... Aramark Food Services**, ranked #1 Industry Champion by Fortune Magazine, has turned to Zakarak to produce their national in-school education program since 2000?

## Then it's time to ask yourself...

**Why...** can't we be receiving the same kind of personal, customized attention and creativity for our event and entertainment programming?

The answer is simple... **you can.**

## A WORD FROM OUR PRESIDENT...

"Our success comes, not only from our high-end creativity and productions, but from our personal relationship with each client. We become part of their corporate family and culture and they part of ours. We're hands-on and personally involved at all levels because we truly love what we do. We're 'creatives' and we want to share our creativity."

-- Julianna Schauerman, President & Founder

## HIGH END ENTERTAINMENT... WITH A PERSONAL TOUCH

"For our first ever gala we set the bar high for an exciting, professional awards ceremony. Zakarak got our wishes exactly right. They truly get into the spirit of the event and make it personal. That's why they're so successful."
